COVID-19 Vaccinations in the Workplace

WEBINAR

Thursday, January 28, 2021 | 11am — 12:30pm

What are your organization's plans for COVID-19 vaccinations among your workforce? Join our webinar on January 28 to hear directly from and ask questions of insurance, legal, compliance and clinical experts.

About the Webinar

Webinar panelists will discuss what every organizational leader and Human Resource professional should know in order to evaluate, plan for and potentially implement COVID-19 vaccinations in the workplace.

All these questions and more will be addressed:

- How would you offer a vaccine?
- Will you mandate it?
- How you might get employee buy-in?
- What are the legal and OSHA, ADA and Title VII guidelines?
- What's your communication plan for rolling it out?

Attendees will take away a COVID-19 Vaccination Strategy Workbook complete with checklists and additional insights from our panelists.
